

**YOU ARE INVITED TO JOIN**

**An Exciting Beneficiary Organization**

**CHILDREN'S LAND ALLIANCE SUPPORTING SCHOOLS  
(CLASS)**

There are 45 million acres of school trust lands and in excess of \$32 billion in school permanent funds in the United States. These lands were granted by Congress and are held in trust by each state for the benefit and support of public schools. In many states, they are a resource that could provide much needed revenue to schools.

CLASS is a beneficiary organization formed in 2001 as a 501(c)3 for the purpose of educating and training education leaders and the public about school trust lands.

**VISION**

Productive school trusts providing for world-class schools.

**MISSION**

As guardians, educate and advocate on behalf of the beneficiaries for prudent and profitable management of the school trust lands and permanent funds to sustain each child's birthright to the best possible education.

**BENEFITS AND OPPORTUNITIES**

**Yearly Conference (at a discounted rate)**

*A conference is held simultaneously with the Western States Land Commissioners Association that provides research on trust lands and opportunities to interact with state land commissioners.*

**Bi-Annual Newsletter**

*Updates from states on what is happening that affects trust lands*

**Research on Trust Issues**

*Class is continually researching issues on constitutions, state enabling acts, and permanent school funds.*

**Networking with other Education Leaders in the United States**

*CLASS offers training and networking opportunities with education groups in other states regarding school trust lands and permanent trust funds.*
